- 2001-2004: Fellow in Neurology and Psychiatry. Neurology and Psychiatry Department, National and Kapodistrian University of Athens, Medical School, Eginition Hospital.
- 2004-2010: Lecturer in Psychiatry. 1st Psychiatry Department, National and Kapodistrian University of Athens, Medical School, Eginition Hospital.
- 2010- 2014: Assistant Professor of Psychiatry. 1st Psychiatry Department, National and Kapodistrian University of Athens, Medical School, Eginition Hospital.
- 2012-: Director, Laboratory of Cognitive Neuroscience and Sensorimotor Control, University Mental Health, Neurosciences and Precision Medicine Research Institute “COSTAS STEFANIS”.
- 2014-2019: Associate Professor of Psychiatry. 1st Psychiatry Department, National and Kapodistrian University of Athens, Medical School, Eginition Hospital.

- 2018-2020: Director, "Skarpalezou 2" Inpatient Unit, 1st Psychiatry Department, National and Kapodistrian University of Athens, Medical School, Eginition Hospital.
- 2019-: Professor of Psychiatry. Psychiatry Department, National and Kapodistrian University of Athens, Eginition Hospital.
- 2020-: Chairman, 2nd Psychiatry Department, National and Kapodistrian University of Athens, Medical School, University General Hospital "ATTIKON".

MEMBERSHIPS

- Member of the Athens Medical Association.
- Member of the Hellenic Psychiatric Association (HPA).
- Member of the Athens Medical Society.
- Member of the Greek Society for Neuroscience (HSN).
- Member of the International Brain Research Organization (IBRO).
- Member of the Federation of European Neuroscience Societies (FENS).
- Member of the Society for Neuroscience (SFN).
- Member of the Schizophrenia International Research Society (SIRS)
- Member of the Academy of Cognitive Therapy (ACT).
- Member of the American Physiological Society (APS).

FUNDING

- 2010-2014 Participant Investigator «Identification of genetic determinants of schizophrenia related phenotypes» Johns Hopkins University, Medical School, Baltimore USA and University Mental Health Research Institute, Athens, Greece (RO1, National Institute of Health).
- 2011-2015 Principal Investigator, ERASMUS+ National and Kapodistrian University of Athens and Psychology Dept. University of Bangor.
- 2018-2021 Principal Investigator, ERASMUS+ National and Kapodistrian University of Athens and University of Freiburg, Medical School, Freiburg, Germany.
- 2018-2021 co-Principal Investigator " Advanced Support System for Treatment Monitoring and Relapse Prevention in Patients with Psychotic Disorders using Long Term Recording and Analysis of Biometric Indexes" ESPA "EREVNO-DIMIOURGO-KAINOTOMO" code: T1EΔK-02890.
- 2020-2023 Participant Investigator "Development Of cortical Multisensory Integration mechanisms at micro- and macro- scales during Normal and pathophysiological conditions (DOMINO) " FLAG-ERA JTC 2019.
- 2021-2023 Principal Investigator for local site. "A phase III randomized, double-blinded, placebo-controlled parallel group trial to examine the efficacy and safety of BI 425809 10 mg once daily over 26-week treatment period in patients with schizophrenia". BI trial 1346-0011/-0012/-0013 BI 425809 Pivotal efficacy studies.

PUBLICATIONS

- 144 publications in Indexed Journals
- 15 publications in Books-Proceedings
- 12 publications in Greek Journals and Books
- 7968 citations (Google Scholar April 2023)
- h index:39 (Google Scholar April 2023)
- i-index:96 (Google Scholar April 2023)

RESEARCH AND CLINICAL INTERESTS

I direct the Laboratory of Cognitive Neuroscience and Sensorimotor Control at the University Mental Health, Neurosciences and Precision Medicine Research Institute "COSTAS STEFANIS". The laboratory is devoted in the study of fundamental sensorimotor and cognitive processes in healthy humans and patients with disorders of the psychosis spectrum using psychophysical, electrophysiological, and functional imaging methods. I am also Chairman of the 2nd Psychiatry Department of the Medical School of the National and Kapodistrian University of Athens located in "ATTIKON" University General Hospital which is an inpatient, outpatient and liaison service for adult and child psychiatry providing clinical service as well as educational activities at all levels (undergraduate and postgraduate) and research activities in the field of psychiatry.
