

Dr. Eirini Stamouli has a PHD in Criminology from Democritus University of Thrace. In 2004 she obtained her MA in International Criminology at the Law Department of the University of Sheffield in United Kingdom. She graduated from the Law School of Aristotle University of Thessaloniki in 2003. She was the Principal Investigator (2018-2022) in the post-doc research project titled “Corruption and state-corporate crime: the example of health sector”, funded by the Hellenic Institute for Research and Innovation. Since 2018 she teaches at the Hellenic Open University in the Master Program: “Criminological and penal approaches to Corruption, Financial and Organized crime. In 2006, she was a trainee in the DG Freedom, Justice and Security of the European Commission and she primarily worked on projects and legal initiatives concerning the combat of organized crime, terrorism and cyber crime. She has worked (2015-2018) as a Special Legal advisor of the General Secretariat against Corruption (GSAC) (Ministry of Justice, Transparency and Human Rights of Greece) specialized in anti-corruption and anti-fraud measures and policies. During her work at General Secretariat Against Corruption she was member of the monitoring team regarding the technical support project provided by OECD to Greece in anti-corruption issues, member of the Greek delegation at OECD Working Group on Bribery (2017) and member of the law-drafting Committee for the protection of Whistleblowers in public and private sector. She has been a researcher in many European research projects focusing on the criminal justice system (selected projects: 1. The Illicit Trade Tobacco Products (ITTP) along the Balkan route: addressing institutional gaps and corruption”, funded through a grant by Philip Morris International Management SA (PMI IMPACT Grant Award). Project management: Center for the Study of Democracy, CSD Bulgaria. 2. “Countering Extortion Racketeering in EU (CEREU)”, an E.U. project for the prevention and fight against crime. Program funded by the General Directorate Home Affairs of the European Commission. Partners: CSD, Transcrime (Italy), Autonomous University of Madrid 3. “Drug’s economy as influent variant of prevention policies”, organised by the National Organisation Against Drugs (OKANA). Project Funded by the E.U. initiative “EQUAL 2004-2006” in collaboration with National Institutions (OKANA). She has written several articles and contributions in the fields of criminology. Her research interests focus mainly on organized crime, gangs, crime subcultures, corruption, criminal policy. She has worked as Adjunct Academic Staff in Department of Social Policy of the Democritus University of Thrace and as a visitor lecturer in the National and Kapodistrian University of Athens. Also, she was (2010-2015) a substitute professor at the School of the Greek Police Officers for the courses Criminology, Police of Public Safety / Criminal Policy, Criminological Theory / Empirical Criminology.
